

Course Name: Service Animals

Hours to complete: 1.00

CEUs: 0.10

Description:

In this video course from the AIMS 2020 Safety Seminar Series, learners will learn how a service animal is defined and review the certifications and registrations required for service animals. Discover which dog breeds and other animals are legally service animals. Determine when a service animal can be excluded and review additional information that can help prepare your facility for handling service animals to create your plan.

Audience:

This program is designed for ride owners/operators, maintenance, inspectors and other amusement personnel who require continuing education and training for maintaining their certification to work in their respective positions per AHJ regulations and/ or company policies. This program is also ideal for individuals wishing to remain current on latest industry trends, standards and best practices applicable to their day to day job duties as it relates to their role.

Specific target audience includes:

Ride device, water slide, water attractions, trampoline and adventure course maintenance personnel, owner/ operators and course management and manufacturers

Prerequisites:

Participants enrolling in this course:

- Must have access to a mobile device or computer with connectivity to the internet for viewing the content within the learning management system.
- Must log in with their unique email and password credentials to access their course materials.
- Must have access to a stable, high speed Internet connection for optimal viewing of the content to minimize potential for buffering of multimedia in learning programs.

Evaluation:

Successful course completion includes:

- Review of the module content in its entirety
- Successful completion of the module quiz
- Completion of the module course evaluation survey.

Upon successful completion of all modules, participants must complete the course survey and then will have access to download their credentials and any associated CEUs.

Outcomes:

Participants in this course will

- Define a service animal.
- Identify the basic rules governing service animals.
- Review certifications and registration requirements for service animals.
- List dog breeds that can be service animals.

Discuss when service animals can be excluded.

Review additional important information about service animals.

Expectations:

Students will watch a learning module of content from the AIMS 2020 Safety Seminar video series and complete the assessment quiz at the end of the module.
