

**Course Name: Situational Awareness**

**Hours to complete:** 1.00

**CEUs:** 0.10

**Description:**

This course is ideal for individuals who have previously taken an active shooter training and have a basic understanding of what to do in an active shooter incident. In this video course from the AIMS 2020 Safety Seminar Series program learners focus on mental preparation, pre incident indicators that are both behavioral and physiological. Review active shooter response: Run, Hide, Fight. View exercises that demonstrate the Run, Hide, Fight model and evaluate situation awareness. Discover the OODA Loop and learn how it describes your situation during in an emergency. Learn the emotional traps to avoid and how not to victim blame when you are in an emergency or incident of violence.

**Audience:**

This program is designed for ride owners/operators, maintenance, inspectors and other amusement personnel who require continuing education and training for maintaining their certification to work in their respective positions per AHJ regulations and/ or company policies. This program is also ideal for individuals wishing to remain current on latest industry trends, standards and best practices applicable to their day to day job duties as it relates to their role.

**Specific target audience for this module includes:** individuals overseeing security and operations or working as incident command in major incidents.

**Prerequisites:**

Participants enrolling in this course:

- Must have access to a mobile device or computer with connectivity to the internet for viewing the content within the learning management system.
- Must log in with their unique email and password credentials to access their course materials.
- Must have access to a stable, high speed Internet connection for optimal viewing of the content to minimize potential for buffering of multimedia in learning programs.

**Evaluation:**

Successful course completion includes:

- Review of the module content in its entirety
- Successful completion of the module quiz
- Completion of the module course evaluation survey.

Upon successful completion of all modules, participants must complete the course survey and then will have access to download their credentials and any associated CEUs.

**Outcomes:**

Participants in this course will

- Review the active shooter response fundamentals and review: Run, Hide, Fight.
- Observe an exercise that demonstrates situations where run, hide, fight used.
- Evaluate awareness.
- Recognize behavior and physiological pre-incident indicators of an active shooter or workplace violence event.

Discover the OODA loop and learn how to utilize the OODA loop when responding to an emergency.  
Identify emotional traps and the victim mentality that should be avoided.

**Expectations:**

Students will watch a learning module of content from the AIMS 2020 Safety Seminar video series and complete the assessment quiz at the end of the module.
