

## Course Name: **Carnival Emergency Planning**

**Hours to complete:** 0.75

**CEUs:** 0.10

### **Description:**

This course will define and discuss the importance of emergency planning, from proper pre-event emergency planning through the close of your event. We will discuss the types of emergency plans including but not limited to evacuation plans, emergency communication plans, and incident specific plans.

### **Audience:**

This program is designed for ride owners/operators, maintenance, inspectors and other amusement personnel who require continuing education and training for maintaining their certification to work in their respective positions per AHJ regulations and/ or company policies. This program is also ideal for individuals wishing to remain current on latest industry trends, standards and best practices applicable to their day-to-day job duties as it relates to their role.

### **Specific target audience includes:**

Ride device, water slide, water attraction, trampoline and adventure course maintenance personnel, owner/ operators, management and manufacturers looking to improve efficiencies in their performance.

### **Prerequisites:**

Participants enrolling in this course:

- Must have access to a mobile device or computer with connectivity to the internet for viewing the content within the learning management system.
- Must log in with their unique email and password credentials to access their course materials.
- Must have access to a stable high speed internet connection for optimal viewing of the content to minimize potential for buffering of multimedia in learning programs.

### **Evaluation:**

Successful course completion includes:

- Review of the module content in its entirety
- Successful completion of the module quiz
- Completion of the module course evaluation survey.

Upon successful completion of all modules, participants must complete the course survey and then will have access to download their credentials and any associated CEUs.

### **Outcomes:**

Participants in this course will

1. Define emergency planning.
2. Identify the importance of emergency planning.

3. Discuss emergency planning from pre-event to move out.
4. Review the types of emergency planning and circumstances for their use.

**Expectations:**

Students will watch a learning module of content from the AIMS 2020 Safety Seminar video series and complete the assessment quiz at the end of the module.
