

**Course Name: Travel Show Security**

**Hours to complete:** 0.75

**CEUs:** 0.10

**Description:**

This course defines traveling shows or events and how to provide the best security for all aspects of the event. Topics of discussion include security of transportation equipment, pre-staged equipment including rides and booths, security of staff camping/living quarters, security of move-in/set-up and tear down/move out processes, as well as health and welfare concerns.

**Audience:**

This program is designed for ride owners/operators, maintenance, inspectors and other amusement personnel who require continuing education and training for maintaining their certification to work in their respective positions per AHJ regulations and/ or company policies. This program is also ideal for individuals wishing to remain current on latest industry trends, standards and best practices applicable to their day-to-day job duties as it relates to their role.

**Specific target audience includes:**

Ride device, water slide, water attraction, trampoline and adventure course maintenance personnel, owner/ operators, management and manufacturers looking to improve efficiencies in their performance.

**Prerequisites:**

Participants enrolling in this course:

- Must have access to a mobile device or computer with connectivity to the internet for viewing the content within the learning management system.
- Must log in with their unique email and password credentials to access their course materials.
- Must have access to a stable high speed internet connection for optimal viewing of the content to minimize potential for buffering of multimedia in learning programs.

**Evaluation:**

Successful course completion includes:

- Review of the module content in its entirety
- Successful completion of the module quiz
- Completion of the module course evaluation survey.

Upon successful completion of all modules, participants must complete the course survey and then will have access to download their credentials and any associated CEUs.

**Outcomes:**

Participants in this course will

1. Define traveling show or event.

2. Discuss types of security necessary for equipment and assets

3. Review security particular to staff camping and living quarters.

4. Recognize that health and welfare concerns are security issues

**Expectations:**

Students will watch a learning module of content from the AIMS 2020 Safety Seminar video series and complete the assessment quiz at the end of the module.
